

We were very pleased to work with Jim on our house sale. Everything was handled in a professional manner, from the listing and staging through to the offer process. He was very knowledgeable about our area and was able to answer all of our questions during the listing and sale proceedings. He guided us through this process and provided us with realistic expectations and excellent results. After selling our house, our plan was to rent an apartment and Jim assisted us with this as well.

We would, without hesitation, recommend Jim to anyone who is interested in selling a home.

Sincerely

Dale and Sandy
